PRESIDENT’S REMARKS
A. Business Plan – Bill Stricklend presented the Board with a financial statement, and gave a brief overview of the information provided. He stated that contracts had to be reassigned, and that they had been cut down to the lease of the office space. He stated that the $42,300 lease per year provided for three (3) dates with complete control of the grounds; the Spring Show, the June Show and the Fall Show. He stated that they were still in talks with Products Mark, and hoped to bring something back to the Board in the Spring or Fall.

He stated that Melisa Taylor’s contract had been done away with, and that she is being moved from Sales to Manage, and she is the Manager of the breed. The office staff has been cut down by one. They have restructured the sponsorships and they have put out a new price list. This would allow anyone to sell sponsorships, and that for each sponsorship sold, the seller will receive ten percent of the cost upon receipt of the sponsorship payments. The office will still do the established sponsorships (i.e. Championship Circle, Gold Championship Circle, and Corporate that have been established over the years.) Stricklend addressed the way horses are registered, and whether or not to close the books. It can all be related to the ways of the industry over the years.

B. Update on Federal Rule Making – The following amendments came to HIO:

Section 11.15 Specialty Action Division - Change the last sentence in paragraph 1 to read, “Championship classes for this division will not be limited to this division only.” Add “E. Horses in this division may cross over and show in the open division.”

Section 12.4 Fall World Championship - Change the first sentence to read, “Any horse which is shown in a previous class, except for Pleasure Classes, is eligible to show in the World Grand Championship.” Synopsis...The basis for this amendment is to allow the specialty action division to show in the Open Show division, or vice versa, however, the rule book states to qualify for a championship class, horses must have shown in a previous class so restricted.
After review and discussion, Tonya Parsons made a motion that this request goes to Advisory, and then that committee will make recommendations. The motion was seconded by Lance Meisenheimer, roll call vote unanimous and motion carried.

**OTHER DISCUSSION**

Melisa Taylor stated that if someone writes a bad check, that person will be put on suspension until the matter is cleared, and will then be put on a cash-only basis. After a period of time, they will be evaluated to go back to the normal procedure. After review and discussion, Jason Todd made a motion to approve. The motion was seconded by Tonya Parsons, roll call vote was unanimous and motion carried.

Melisa Taylor added that the Rule Book states that “By July 15 of each year for the next ensuing election of Directors by Members of the Association, and shall be calculated based upon the number of Members entitled to vote...” This means you must have twenty-five members entitled for one Board seat. She then gave the list of current Board members who were up for reelection: Eddie Barrow, Ronnie Hooker, Dewey Hannon, Jason Todd and Carol Missildine. She then reiterated the procedures for application for election, and stated that another rule that has been implemented in the office is that no membership applications or renewals will be taken over the phone. All applications must be submitted in writing with a signature. The only thing that can be handled over the phone is a payment.

Lance Meisenheimer reminded President Strickland that a committee needed to be appointed for the Hall of Fame.

There was discussion about raising the fee for an appeal. After review and discussion, Lance Meisenheimer made a motion to set the fee for appeals from $50.00 to $250.00. The motion was seconded by Jason Todd, roll call vote was unanimous and motion carried.

During review and discussion, Jason Todd made a motion to have each association submit their individual names in writing, and for the office to keep record of those names submitted. The motion was seconded by Dewey Hannon, roll call vote was unanimous and motion carried.
