Our Charity this year is:
ARKANSAS ALLIANCE OF BLOODHOUND SEARCH SPECIALISTS.

This organization was formed in 2005 by concerned citizens from a variety of occupations who are dedicated to helping save lives. They share a love of dogs and are willing to complete extensive training and conduct searches day or night in all weather conditions. The members provide all of their services at no cost to anyone in need. All of the funding for the organization's operations, educational programs, and training is obtained solely through fundraising and charitable donations.
