A WORD FROM OUR PRESIDENT

The world is a bit different now, and we have been working hard here at the RHBAA to adapt. First I must thank everyone that helped support the Spring Celebration that was held in July. To say it was a success is an understatement. If you weren't there you missed one the best shows that the RHBAA has put on. We had great morale and I think everyone was excited to see each other again. We will be keeping the same structure from the July show for this upcoming World Celebration this September.

We are encouraging social distancing and the use of masks during this pandemic for the health and safety of all of those involved. Our breed office will remain closed to the public but we will have the window in the lobby to use if needed. Although we will not be able to set up box seats this year due to the pandemic, we now have a better deal for everyone. For \$100 you can buy a show pass that includes admission to the showgrounds and a seat for every performance in the show.

Some other changes include a new start time of 5:30pm every night of the show. We are trying to make an effort to keep the show moving efficiently and have cut some classes out of the show program as well. We did not take this lightly. However, we had to make decisions to protect the breed in the current economic situation. We understand that this has been a difficult time for everyone. We have decided on a jackpot payback system for the line classes this year due to the lack of sponsorships. The Stake classes will still be paid out the same and the Specialty Action Championship Stake will be double payout for the prize money this year. We know these aren't popular decisions to make but we felt these moves were the best to help the breed in the long run. We have tried to ensure that you will still have many chances to show your horse.

One exciting change we know you'll like is the addition of a new division for the speed horse called Country Speed. We will be trying this out for the first time at the Celebration. We have included the rules for this new division in this packet. Please let us know if you have any questions about it.

We know it's hard to spend your money right now so we feel responsible to provide the best experience for you, your family and your horse this year. Again, we've made some changes, some unfortunate, but necessary, and some exciting, but one thing that never will change is our love of this breed.

We look forward to another great show!

Country Speed Division

1. The Country Speed Horse shall be shown where both horse and rider are relaxed and comfortable. The horse shall be required to maintain a head set and be alert in the bridle. He shall not be required to maintain a high front leg lift, but should exhibit a smooth stride behind. The Country Speed Horse does not sacrifice style for speed and is purposed to be less than the Open Speed Horse division. The Country Speed Horse will not show signs of straining but will be performing a natural gait that isn't forced and is more collected than the normal speed horse division. The gait is highly recognized while being judged and is very important that the horse has a smooth and natural four beat gait that never paces or trots while being shown. The Country Speed Horse will be required to perform three gaits: (1) Country Speed Brisk Walk, (2) Country Speed Slow Rack and (3) Country Speed Fast Rack. The Country Speed horse shall stand quietly and must back readily. The tack and attire for Country Speed may be either English or Western but not a combination of both.
2. The Country Speed Brisk Walk Horse must exhibit a brisk walk, but not a show walk, be alert in the bridle, well collected and controlled. This gait would be a desired on a trail as a natural walk and the horse shall remain relaxed and collected.
3. The Country Speed Slow Rack shall be a true four-beat gait, horse must exhibit a slow, smooth, be alert and collected in the bridle. There will be no evidence of strain on the part of the horse or rider. The reins shall be held lightly.
4. The Country Speed Fast Rack shall be a comfortable, easy-going rack in which speed is encouraged but style and gait should not be sacrificed. The gait should be easily distinguished from the other two gaits required of this division; there shall be a smooth stride behind and a natural rolling motion up front. Any indication of strain on the part of horse or rider will be penalized.
5. The Country Speed horse shall enter the ring at a Country Speed Slow Rack prior to initial judging of the class. Three gaits shall be called for, beginning with the Country Speed Brisk Walk, after all entries have entered the ring horses are prepared to be judged.
6. Shoeing requirements: The shoe must not exceed ½" in thickness, nor be wider than 1". Drill tech and borium are allowed on the bottom of the shoe. The shoe must be hoof to shoe with no pad in between. Refer to Section 8.7A (5), page 32 of the Rule Book.
7. Severe bits must be penalized in the final judging. Shanks over nine- and one-half inches (9 ½") are prohibited. Gag bits without shanks are not allowed. Shanks are measured from the top to the very bottom of the metal, including the rings. In this division, whips, crops and cross-chain cavessons are prohibited. Cavessons are permitted in Western and English.
8. Horses competing in Country Speed Division are not eligible to compete in any other divisions. This division shall be open only to Amateurs and Juveniles.
