The Racking Horse Pleasure Association offers programs and activities whether you are "On the Trail" or "In the Ring". During our fun show at the World Celebration, you and your horse can participate in classes like musical feed bag and the catalog race. It is a great time to meet fellow members and their horses and just play!

If you are strictly a trail rider, then the Pleasure Association offers the "Rack Across America Program". In this program you and your horse can log miles to achieve rewards each year. You ride with your buddies and log up the racking miles.
