CURRENT AND PROSPECTIVE COMMISSIONERS
RHBAA COMMISSIONERS POLICY

CURRENT COMMISSIONERS:

Current Commissioners must turn in their commissioner's application with payment of dues postmarked by January 1.

If you are a lifetime member, the commissioner application and monies submitted before the deadline are all that are needed. If you are not a lifetime member, you must complete a membership application for the current year and remit payment for this before or along with the **SIGNED** commissioner's application for it to be considered on time. **A commissioner's license will not be issued to anyone not holding a membership for the current year.**

It is very important that we have your updated information on file. Please fill out the shaded area on the commission's application completely to assure that our records are correct and sign where indicated. **All renewal applications must be POSTMARKED by January 1.**

PROSPECTIVE COMMISSIONERS (New Commissioners):

New Commissioners will be voted on during the Winter Meetings each year. Any applications submitted during the previous year will be held until the Breeder's Committee meeting.

All new applications must be POSTMARKED by January 1.

All new applications must be at least 21 years old and be a member for a **full calendar year** and a member for the current year before being considered. All sponsors listed on the application must be a current member and have been a member for at least 3 consecutive years, with no breaks in membership. All prospective applicants will receive a letter from the Breeder's Committee after the Winter Meetings advising them of their status.
