April 14, 2022

Dear Members,

The State Product Mart Authority of Morgan County has officially noticed the Racking Horse Breeders' Association of America per the existing contract between the parties of their intent not to continue the lease agreement on or after December 19, 2022. The reason for the notice from State Product Mart Authority to Racking Horse Breeders' is the possible sale of the arena properties.

There will be a called meeting of the membership of the RHBAA on April 29th at 9:00AM inside the arena. This is a very important meeting for the future of our Racking Horse. I encourage every member to attend.

Should you have questions, please contact your State Board Member. Information for those contacts may be found on the current website at www.rackinghorse.com.
