Words from our RHBAA President

Dear Members,

Show season is here. I hope everyone is ready to pack the trailer, get the horses groomed, clean the tack and hit the road, this is always an exciting time of the year, getting to see friends we may not have seen since last year, see their new mounts and again show the world our beloved Racking Horse. The Spring Celebration is being held at Copper Steel Arena {Calsonic Arena} in Shelbyville, Tennessee, on April 27th thru the 29th with a morning performance on Friday the 28th. I know this is a new location but we are the same Racking Horse with a great opportunity to exhibit our horse in a new venue to people who either have not been to a Spring Celebration in a long time or possibly ever. With a new location comes new challenges as well as opportunities. There are several changes that had to be made to be in compliance with the venue's rules, such as no four wheelers, side by side or motorized utility vehicles are allowed on the show grounds, only golf carts. The RHBAA will issue golf cart passes which each golf cart must have to be on the show grounds. Mikey's Motors will offer golf carts for rental. All vehicles wishing to come onto the show grounds must have a barn pass also issued by RHBAA. All other vehicles will be required to park in the designated parking lot across the street from Copper Steal Arena. All trucks and trailers must unload their horses in the barn area then be parked in designated parking areas also across the street to the left of the RV area. Barn reservations must be made in advance and paid for due to the RHBAA having to pay for the stalls to the venue. If you don't make and pay for your stalls by the designated date we will not be able to guarantee you a stall. Included in this package are all the forms you should need to attend the show. The administrative office will be located in the TWHBEA building. The building is located by the entrance to the brick garden area. The entry office will be in the warm up area of the arena between the entrance and exit shuts. It is very important that we remember that the location doesn't make the horse, instead the horse makes the location. Please make plans to attend the show and bring your best attitude, as we began a new area of the Racking Horse.
