A WORD FROM OUR PRESIDENT

Greetings,

Now that the show season is over I hope each of you have had time to reset and enjoy Thanksgiving with family and friends. The RHBAA Spring show and World Celebration having to be moved to a new venue in 2023 presented obstacles and challenges but I am proud to say that not only did we overcome them, the World Celebration was one of the best in many years. The World Celebration had 799 entries over 8 performances producing an average of 100 entries per performance, which is great. We knew going into this show season there were going to be those challenges and issues with moving the two shows but determination and a lot of hard work by Marissa Dawson and staff, plus all the volunteers, we succeeded. I believe there are basically two types of people in this world, the ones when presented with a problem work hard to find a solution, then there's the second type that when presented with a solution work hard to find a problem. Thank goodness there are more of the first type of people in the Racking Horse family than the second. We will once again be at the Cooper Steal Arena for both the Spring and World Celebrations in 2024. The Spring Celebration is scheduled for April 25th through 27th and the World Celebration October 7th through the 12th. I wish each of you a very Merry Christmas and Happy New Year. Please join your Racking Horse family January 26th and 27th for the Winter Meeting and to celebrate our wonderful horse and its accomplishments from 2023.
