A WORD FROM OUR PRESIDENT

Dear Members,

It's been a pleasure to serve you as the President for the 2024 year and I'm proud to say that we've have a fantastic year for the Racking Horse. We had very successful Spring and Fall Celebrations and congratulations to all the 2024 World Champions. The quality of our horses in all divisions this year were maybe some of the best I've seen. Another big win for the breed is the number of registrations and mainly pedigree registrations that were up this year.

As we know, we have a lot to watch for this off season with some of the recent rule making handed down by Executive Orders but I'm happy to say that the Racking Horse is being represented well in the fight to protect our horse and to set new regulations to keep our great horses in the show ring. These court battles will move quick this winter and we hope to give you a full update at our winter meetings in February. Please make plans to join us at our new hotel and conference center The Marriott Shoals Hotel and Spa in Florence AL.

As always, I'm proud of our staff that has been resilient with handling the day-to-day operations, our board and committees, and mostly you the members of our great breed for continuing to support this great horse!

Thank you,
-Lance Meisenheimer
RHBAA President
